5	CS	3.22.99	1	12

Ladies Points: CS 96; PSUK 91; Civil Service 40

Mens Points: CS 103; PSUK 90; Civil Service 55

Points Overall: CS 211; PSUK 181; Civil Service 105

Triangular Points:

Combined Services	15
UK Police	10
CSSC	5

Diving

Unfortunately the Diving competition had to be cancelled due to a mix up and subsequent lack of diving officials

Triangular Points: - None awarded

Water Polo

2007 Triangular – Water Polo Report

The CSSC squad continues to strengthen. This years was certainly the strongest we have fielded for the last four or five years.

Sadly, the lack of team practice continues to limit our performance expectations and we are still unable to field a full 13 man squad. Both points remain targets for next year.

The first match of the tournament, held on Monday evening was Combined Services against the British Police. Both teams looked strong (not a good omen for us!!). Although the CS team took an early lead, the strength in depth of the Brit Police side eventually took its toll and they ran out comfortable winners.

Our first match was against the CS Team on the Tuesday morning. Our team was without a recognised goalie but Jason Holt did a great job of standing in. The team performed well with

notable contributions from Stephen Newsham and our most recent squad members, Kelsey Duckworth, Paul Pearson and Dave Grieve. Tied at the end of the 1st quarter, we lost a lot of ground during the 2nd, conceding four goals without response but then recovered well, matching the opposition goal for goal during the second half and making the game a tense affair. A final score of 17-11 to the CS, which incredibly included 3 goals scored by them on the final whistles of the second, third and forth quarter, did little justice to our efforts.

A late re-organisation of the programme saw our second match against the British Police brought fwd to late morning. This gave us little time to recover after such a concerted early effort and with the strong Police side fully rested; the writing was on the wall from the outset. None the less, our team worked hard and played some great polo, Squad regulars Graham Weavers and Gus Lees played particularly well and novice Stephen Collins saw a good amount of pool time. Sadly we were well out played and went down 19 -5.

It just remains for me to thank the CSSC organisers for their efforts of behalf of the squad.

The next event will be the 2008 CSSC Swim Champs. We are looking for more department teams and individuals to take part in the Water polo tournament and hopefully this will feed more new faces into the CSSC squad.

It is clear that there remains a large untapped water polo talent in the CSSC so if you would like to get involved please get in touch.

Darren Nash

CSSC Water Polo Captain Tel: 0117 9135290 E-mail: NSRS-TECH@dpa.mod.uk

Water Polo Results / points

Police beat Combined Services

Combined Services beat CSSC 19 – 11

Police beat CSSC 19 – 5

Water Polo Triangular Points:

Police	15
Combined Services	10
CSSC	5

Triangular overall points

Police	25	(Triangular trophy shared 2007)
Combined Services	25	
CSSC	10	

Thanks for efforts at late notice of Claire Thorn UK Police and for the hospitality of the RAF and of course to all competitors and officials who make it all worthwhile.

In 2008 the Triangular will be hosted by the ARMY at Aldershot.
